## FARMINGTON TOWN WARRANT

---

### STATE OF NEW HAMPSHIRE

To the inhabitants of the town of Farmington qualified to vote in town affairs:

You are hereby notified to meet at the town hall in said Farmington on Tuesday the ninth day of March next, at nine of the clock in the forenoon to act on the following subjects:

Article 1. To see what sum of money the town will vote to raise and appropriate to defray the expenses of general government and expenses of administration—Budget items Nos. 1, 2, 3, 4, 5, and 24.

Article 2. To see what sum of money the town will vote to raise and appropriate for the protection of persons and property, items Nos. 6 and 7.

Article 3. To see what sum of money the town will vote to raise and appropriate for the health department and filtration system, W. P. A. Project No. 843, items Nos. 10 and 11a.

Article 4. To see what sum of money the town will vote to raise and appropriate for the maintenance of highways and bridges and for materials and maintenance of equipment, items Nos. 12, 13 and 14.

Article 5. To see if the town will vote to raise and appropriate \$699.26 in order to secure state aid in the sum of \$2,797.02 for the improvement of Class V highways, under Chapter 17, Laws of 1935, item No. 15.

- Article 6. To see if the town will vote to raise and appropriate the sum of \$1,500.00 to continue the permanent road construction on Elm street to the Milton line, item No. 16.
- Article 7. To see if the town will vote to raise and appropriate the sum of \$1,000.00 for the Farmington Public Library Association, item No. 17.
- Article 8. To see if the town will vote to raise and appropriate the sum of \$7,500.00 for welfare relief as provided in the Budget under items Nos. 18, 19 and 20.
- Article 9. To see if the town will vote to raise and appropriate to Clarence L. Perkins Post, No. 60, American Legion, the sum of \$160.00 to be used for Memorial day purposes May 30, 1937, item No. 22.
- Article 10. To see if the town will vote to raise and appropriate the sum of \$200.00 for Edgerly and Fernald parks and the skating pond, item No. 23.
- Article 11. To see if the town will vote to raise and appropriate the sum of \$1,500.00 to be applied to the reduction of the indebtedness of the town as represented by temporary notes outstanding, item No. 27.
- Article 12. To see if the town will vote to raise and appropriate the sum of \$3,200.00 to pay the interest on the indebtedness of the town for the ensuing year, item No. 29.
- Article 13. To see if the town will vote to authorize the selectmen to hire such sums of money as may be necessary in anticipation of taxes.
- Article 14. To see if the town will vote to buy surety bonds for the town clerk, town treasurer and tax collector.
- Article 15. (By petition) To see if the town will vote to raise and appropriate a sum of money for the construction of a sidewalk on the northeast side of Spring street from Grove street to the cement bridge over the Waldron river.

Article 16. (By request) To see if the town will vote to raise and appropriate the sum of \$197.00 to the Lakes Region Association of New Hampshire for the issuance and distribution of printed matter calling attention to the resources and natural advantages of the town, in cooperation with other towns in the Lakes Region.

Article 17. (By request) To see if the town will vote to raise and appropriate the sum of \$100.00 to improve and beautify the grounds around the Henry Wilson boulder, the same to be expended under the supervision of Mr. Herbert D. Browne.

Article 18. To see if the town will vote to authorize the selectmen to issue bonds or serial notes in the amount of twenty-two thousand dollars (\$22,000.00) the proceeds of which shall be used to retire an equal amount of floating debt represented by notes outstanding on January 31, 1937, or notes which may have been issued in substitution or renewal of said notes.

Article 19. To see if the town will vote to raise and appropriate a sum of money not to exceed \$400.00 for white pine blister rust control, to be spent in cooperation with the State Forestry and Recreation Department.

Article 20. To choose one selectman for three years, a town clerk, town treasurer, a road agent and all other necessary officers and agents for the ensuing year.

Article 21. To vote on the following question, to wit:  
"Is it expedient to revise the Constitution?"

JOHN E. S. HALL,

FRED W. BROWNE,

EDWARD T. WILLSON,

Selectmen of Farmington.

## STATEMENT BY SELECTMEN

### TO THE CITIZENS AND TAXPAYERS OF FARMINGTON

In submitting the accompanying report for the fiscal year ending January 31, 1937, we would call your attention as briefly as possible to some of the more important features of the year's activities and make certain recommendations for your consideration.

In view of the discouraging situation with which we were confronted early in the year as a result of the floods of March 12th and 19th, our balance sheet reveals a financial condition more gratifying than we had at one time dared hope for.

In referring to some of the articles in the Warrant covering matters other than of a routine nature we refer by number to the items in the printed budget pertaining to the subject matter.

With respect to Article 3 of the Warrant covering budget items 10 and 11-a, we suggest a small appropriation of \$350.00 to cover our "Sponsor's Contribution" for the completion of the W. P. A. project for the reconstruction of the filtration system at the sewage disposal plant. The \$670.02 thus far expended by the town on this project has come from a surplus in revenues other than taxes and other balances accruing during the year but we think it advisable to make this provision for its completion.

Article 4 pertains to the highway department, budget items 12, 13 and 14.

We have suggested an appropriation of \$3,500.00 to cover the general expenses of this department. The appropriation of \$3,000.00 for this purpose last year was exceeded by \$1,724.65. This resulted from the purchase of large quantities of materials including tarvia, tile,

cement, bridge plank, etc., and 1000 feet of additional snow fence.

Considerable expense was also incurred in reconditioning the tractor and snowplow, which have been put in an excellent state of repair. An unusual quantity of materials was necessary for the repairs incident to flood damage. The purchase of tarvia and cold patch alone accounted for \$1,381.86.

Considerable quantities of tarvia will be required again this year to protect the new work laid down last summer.

Under Article 5, budget item 15, we recommend the appropriation of the \$699.26 necessary to secure state aid for the continuation of gravel surfacing of Class V roads. On the recommendation of the State Highway Department the \$727.64 appropriated for this purpose last year was taken back into the general fund to offset, in part, the unavoidable deficit in the highway account the past year.

There remains, however, in the state's appropriation for this purpose, an unexpended balance of \$1,063.75, which with the proposed appropriation, will make available \$4,560.03 for gravel surfacing this year.

It is expected that a bill which we have in the legislature asking for an appropriation to continue the permanent improvement on the road to the Milton line will pass and this will call for an appropriation by the town of \$1,500 under Article 6 of the Warrant.

Action on Article 8 covering aged assistance, town poor and soldiers' aid (budget items 18, 19 and 20) will be contingent upon what action, if any, the legislature takes to provide funds for the partial reimbursement of the towns for their direct relief costs during the ensuing two years.

We have just been advised by the State Board of Welfare and Relief that the \$1,200,000 appropriated for this purpose for the fiscal year July 1, 1936, to June 30,

1937, is so nearly exhausted that we can expect a reimbursement of only 33 1-3 per cent for the months of January, February and March, instead of the anticipated 50 per cent and "unless there is further legislation no grants or reimbursements can be made to the counties, cities and towns on account of their expenditures for direct relief from April 1, 1937, on."

Our expenditures for town poor and soldiers' aid during the year were \$3,173.80 and we have been reimbursed by the state in the amount of \$1,112.57 of which \$690.13 represented a final reimbursement on our 1935 account. (Since the closing of our books on January 31 we have received a further reimbursement of \$196.69 covering our December account.)

It seems advisable at this time that steps should be taken to consolidate our floating debt and get it into a more manageable form by an issue of serial notes or bonds of fixed maturities and we recommend such action as proposed in Article 18.

The year started out most discouragingly with the disastrous floods of March 12th and 19th, 1936. An idea of the damage done at that time may be had from the following figures covering the cost of repairs. Using figures furnished us by the State Highway Department the net expenditure by the town (1-8 of 1 per cent of our valuation as required by special act of the legislature) was:

Town expenditure	\$2,471.64
State expenditure	1,488.47
	<hr/>
	\$3,960.11

To this should be added W. P. A. payrolls for "Flood Control Project No. 614", \$1,381.21, and truck contracts entered into by W. P. A. with local truck owners in the amount of \$1,190.00, making a total cost of \$6,531.31.

There should be added to the above the cost to date of the reconstruction of the filtration system at the

sewage disposal plant. While this cost is not a true measure of the real "flood damage" (inasmuch as the new system is much larger and more complete than the old one) the undertaking was made imperative as a result of the floods.

The town's contribution to this	
project to Jan. 31, 1936	\$670.02
W. P. A. payrolls to Feb. 10	2,353.20
Total	<u>\$3,023.22</u>

(In addition to this is the cost of materials, drain tile, brick, cement manhole and manhole cover) assumed by W. P. A. for which we have not the exact figures) The aggregate of the above expenditures is \$9,554.53.

Had not state and federal funds been made available to assist in making these repairs we should have been confronted with an almost impossible situation.

By a vote of the town at the annual meeting in 1934 a credit of \$507.24 was set up for the construction of a cement sidewalk on South Main street. By covering an unexpended balance of \$93.82 of an old "Moth Extermination" account (which had been carried for some years as a liability) into this sidewalk account, we made available a total of \$601.06.

During the year this work was undertaken and completed. With an expenditure slightly in excess of the funds available, we carried the walk from Water street to the property of Mrs. W. H. Ellison. With a fine public spirit Mr. and Mrs. Ellison volunteered to continue the walk in front of their property at their own expense, the town assuming only the cost of removing the old walk and some grading.

This resulted in a total expenditure by the town of \$682.99, or \$81.93 in excess of the total appropriation which we believe was justified under the circumstances.

At the request of the State Forestry and Recreation Department we are appending the following figures showing the expenditure in Farmington during the year for blister rust control:

W. P. A. funds expended, \$2,550.26.

Area covered, 2,182 acres.

Currant and gooseberry bushes destroyed, 59,743.

Number of men employed, 18.

As this report is being prepared we are just emerging from the fourth serious flood within the last twelve months, perhaps the worst one of all. At this time the amount of the damage cannot be estimated, but it must run into large figures.

There are many phases of the town's activities and problems of administration which might well be of interest if we could enter into a discussion of them, but space will not permit.

We might, however, in closing revert to the fact that we have annually impressed upon us by the state tax commission the necessity of "economy." Quoting from their latest communication: "Budget committees and selectmen will have to be more alert than ever this year to prevent tax rates from going up. Relief costs are still high, valuations are not rising . . . . there is no indication of any material increase in town income from sources other than taxation. The average property tax rate for the state increased from \$3.17 per hundred in 1935 to \$3.43 in 1936. A similar increase in the 1937 rate would be a serious matter. . . . . The credit of the towns must be maintained. . . . . The only way to do this is to appropriate only for what is absolutely necessary, and thus keep tax rates within the paying ability of property owners—both large and small."

No one is more concerned over taxation and tax rates than your town officials, both in an official capacity and as individual taxpayers. We struggle with the problem of budgets and the cost of administration, and the clamor of citizens for more and better service at no increase in cost.

And then the state comes along with a state tax for 1936 and '37, 6 per cent greater than in 1934 and '35. The county tax for 1936 was nearly 83 per cent greater

than in 1935. The school budget is expected to be slightly larger for 1937, '38 than for 1936, '37. This is not written in a spirit of criticism. It merely suggests the uncontrollable situation with which we have to deal. Towns and cities appeal to the state for assistance in carrying their relief load, and the state has to get the money. County officials are struggling with the same problem which does not appear to be solving itself. The point is that the best intentioned advice breaks down before the hard realities and the most scientific budget can be shattered by a caprice of nature.

JOHN E. S. HALL,  
FRED W. BROWNE,  
EDWARD T. WILLSON,  
Selectmen of Farmington.

## BUDGET

Comparison of actual expenditures for the year February 1, 1936, to January 31, 1937, with the estimated requirements for the year February 1, 1937, to January 1, 1938.

	1936 Actual	1937 Estimate
GENERAL GOVERNMENT		
1 Town officers' salaries	\$1,911.00	\$2,100.00
2 Town officers' expenses	24.52	50.00
3 Election and registration expenses	329.53	125.00
